. . . attend county board of supervisors meeting on December 6, 2016.

Details: I attended a meeting today, convened by Supervisor Mark Ridley-Thomas. At the meeting we celebrated the amazing victory of Measure HHH (far exceeding the required 2/3 vote approval with 76 percent of the vote). This shows that Angelenos want action on addressing homelessness, and we were encouraged to hear how quickly the city plans to move forward to show tangible evidence that this funds can be invested as early as next year.

That said, the second part of this "one-two punch" to make a serious dent in addressing the homelessness crisis involves a county sales tax measure that will appear on the ballot in March.

The logistical challenge is that the last day to place a measure on the March ballot is **December 8**. The FIRST meeting of the newly constituted board of supervisors is **December 6** – so this is the only chance to secure a supervisor's vote to get this on the ballot. Otherwise, we are WAITING UNTIL 2018.

Supervisory Mark Ridley-Thomas asked all of us assembled there today **to commit to FILLING EVERY SEAT IN THE AUDITORIUM** at the BOS meeting to send a strong message to the new board. That is a total of 690 seats.

As you will see from the attached image, I committed that **Hollywood 4WRD will fill 30 of those 690 seats**. Can you help me with this? You don't need to speak – you just need to be present. It will be fun. Please email me ASAP to commit to this historic gathering of hundreds committed to ending homelessness in LA!! I'll send the details when you RSVP.

Kerry
